lucity bootcamp...ohio river valley

Designed for all Lucity users who would like to learn about how all of the Lucity tools work together and how to best take advantage of them on a daily basis.

training details

date: May 24, 2016 from 9am - 3pm

location: Holiday Inn Cincinnati Airport
1717 Airport Exchange Blvd.
Erlanger, Kentucky 41018

cost: \$300 for per person

\$200 for the next four from your organization

\$100 for each attendee over five

This training bootcamp is designed around supervisors and lead workers. No previous Lucity experience is required, and current Lucity users will learn new things that will help them in their day-to-day work with Lucity.

This lecture-based training will demonstrate multiple scenarios of typical inspection and work-based activities. We will be explaining why the collected data is so important, how to best enter the data, how to effectively use GIS maps and tablets on a day-to-day basis. We will also be explaining to supervisors how they can setup their dashboards in a manner that will help them effectively schedule their work.
